

Hi **HiveMQ** enthusiast,

HiveMQ serves **over 130 customers** across the globe offering data connectivity to and from devices, the edge, and the cloud. They choose us because we provide unmatched reliability, scalability, flexibility, observability, and security. For these same reasons, **Netflix uses our MQTT platform at the heart of its device management platform too!** Find out more on our top story this month.

Top Story

At the heart of Netflix's device management platform lies the HiveMQ MQTT platform helping their consumer electronics and TV operator partners easily accomplish certification and testing on thousands of devices from anywhere, anytime!
